All clergy and lay members of the Annual Conference are voting members of the District Conference. This year we will be voting on the creation of a District Union in each of our districts. The District Union acts as the District Board of Trustees and receives and administers church extension and mission funds (see Book of Discipline paragraph 659.4f). In the Bay District we will be voting on creating a District Union. More information about the District Union will be forthcoming. For now please be sure to register for the Conference which will also include a pre-Annual Conference briefing.
